This isn't blue [This is some blue text](#) This isn't blue

### 0.0.1 Title and header metadata

### 0.0.2 Pictures

test image

### 0.0.3 Tables

### 0.0.4 Quotation and typographies

hyphen-endash–emdash—

The French and Indian War (1754–1763) was fought in western Pennsylvania and along the present US–Canada border (Edwards, pp. 81–101).

## 0.1 Horizontal lines

ligatures: ff, fi, fl, ffi, and ffl

elips...

“one quote” “two quotes”

### 0.1.1 Codeblock

Some code:

```
#!/bin/bash
# argument is list of filters
FILTERS=$*
let err=0
for d in $FILTERS ; do
    make --no-print-directory -C $d test
    if [ $? -eq 0 ]; then
        err=1
    fi
done
exit $err
```

The fucking dash is wrong but I don't care for now.

### 0.1.2 Word replacement

(c) (C) (r) (R) (tm) (TM) (p) (P) +- © ® ™ § ±

**0.1.3 Math demo**

$$a^2 + b^2 = c^2$$

$$\frac{d}{dx} \left( \int_0^x f(t) dt \right) = f(x)$$

$$\sum_{i=1}^n i^3 = \left( \frac{n(n+1)}{2} \right)^2$$

**0.1.4 Citation demo**

(Veness et al. 2009)

$$a^2 + b^2 = c^2 \tag{1}$$

As Equation (1) says, ...

$$(1) \quad e = x + y$$
